ONLINE STUDY MATERIAL

BY

DEPARTMENT OF TECHNICAL EDUCATION HARYANA

The Dept. Of Technical Education, Haryana brings an easy to use distance learning solution for the students of Haryana.

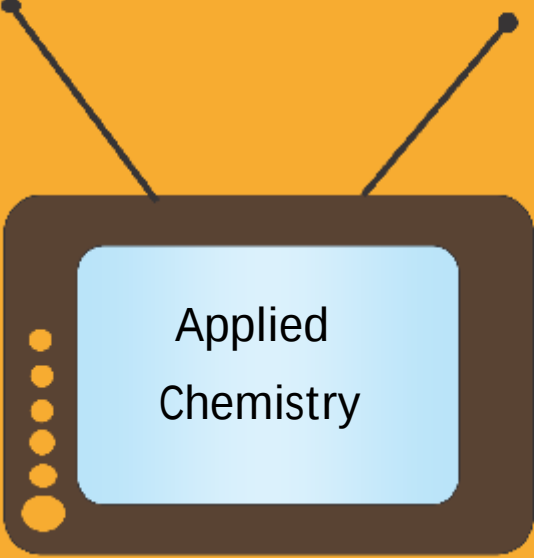

- Click on the subject/topic of your choice on the TV screen below to study about the subject.
- You will be redirected to a Google Drive where you can find complete study material on the subject/topic of your choice.

तकनिकी शिक्षा विभाग, हरियाणा लाया है, हरियाणा के छात्रों के लिए घर से पढ़ने का आसान उपाय।

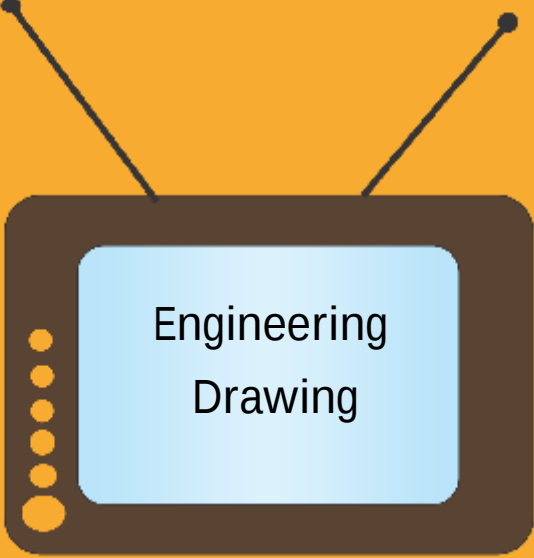

- आप जिस विषय के बारे में पढ़ना चाहते हैं तो नीचे दिए गए टीवी स्क्रीन पर उस विषय को क्लिक करें।
- यह स्क्रीन आपको गूगल ड्राइव के लिंक पर ले जाएगी, जिसमें आप उस विषय के बारे में सारी सामग्री प्राप्त कर सकते हैं।

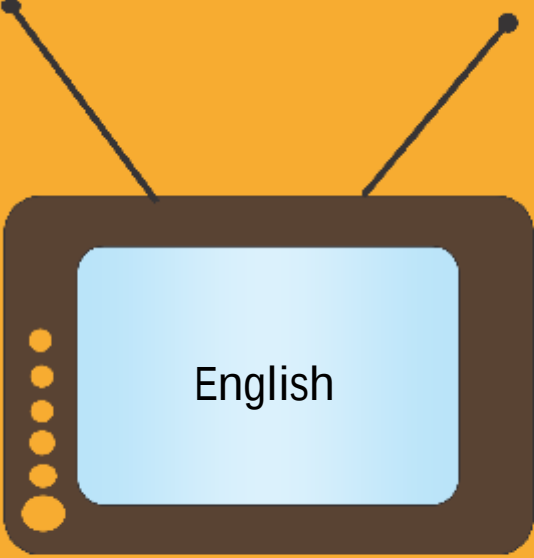

E-Book for first year Diploma Students

A stylized television set with a dark brown frame, two thin black antennas on top, and a vertical row of five yellow dots on the left side. The screen is light blue and displays the text "Applied Chemistry".

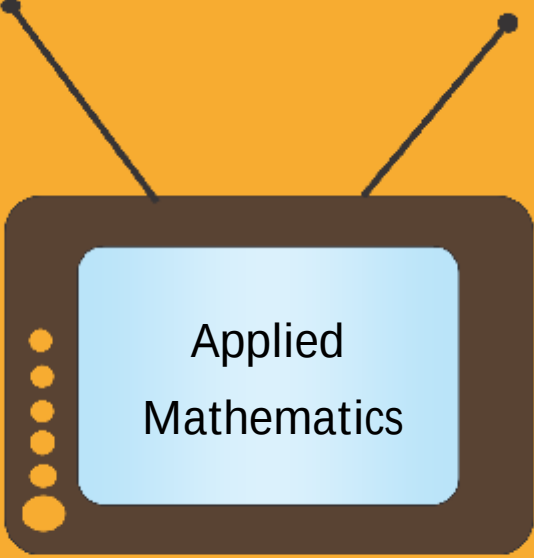

Applied
Chemistry

A stylized television set with a dark brown frame, two thin black antennas on top, and a vertical row of five yellow dots on the left side. The screen is light blue and displays the text "Engineering Drawing".

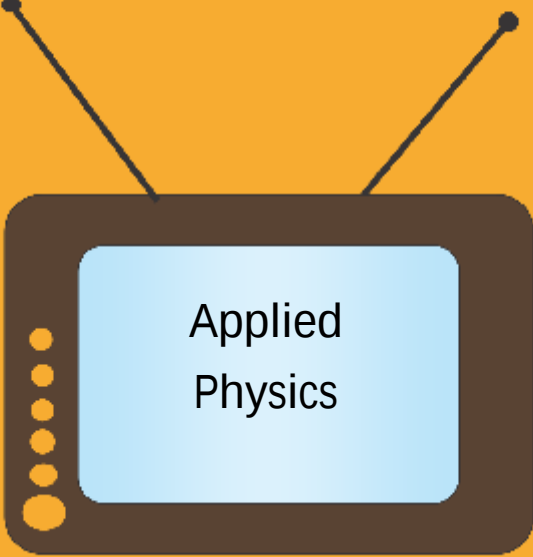

Engineering
Drawing

A stylized television set with a dark brown frame, two thin black antennas on top, and a vertical row of five yellow dots on the left side. The screen is light blue and displays the text "English".

English

A stylized television set with a dark brown frame, two thin black antennas on top, and a vertical row of five yellow dots on the left side. The screen is light blue and displays the text "Applied Mathematics".

Applied
Mathematics

A stylized television set with a dark brown frame, two thin black antennas on top, and a vertical row of five yellow dots on the left side. The screen is light blue and displays the text "Applied Physics".

Applied
Physics

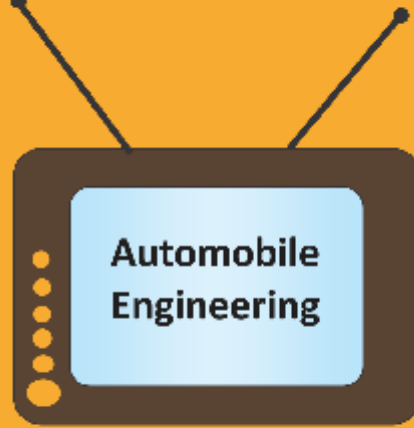

Branch/Subject wise relevant Digital links of Various Diploma disciplines.

A stylized television set with a brown frame, two black antennae, and four yellow dots on the left side.

**Agricultural
Engg.**

A stylized television set with a brown frame, two black antennae, and four yellow dots on the left side.

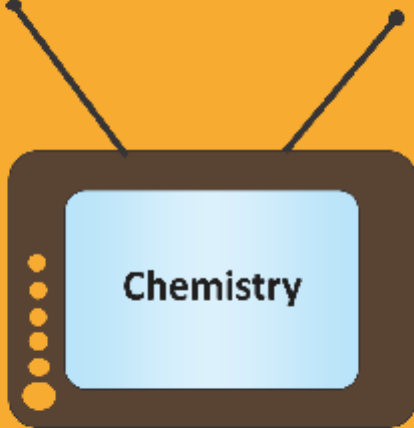

**Architectural
Assistantship**

A stylized television set with a brown frame, two black antennae, and four yellow dots on the left side.

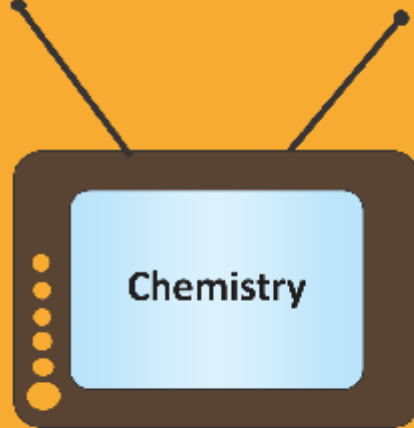

**Automobile
Engineering**

A stylized television set with a brown frame, two black antennae, and four yellow dots on the left side.

**Chemical
Engg.**

A stylized television set with a brown frame, two black antennae, and four yellow dots on the left side.

Chemistry

A stylized television set with a brown frame, two black antennae, and four yellow dots on the left side.

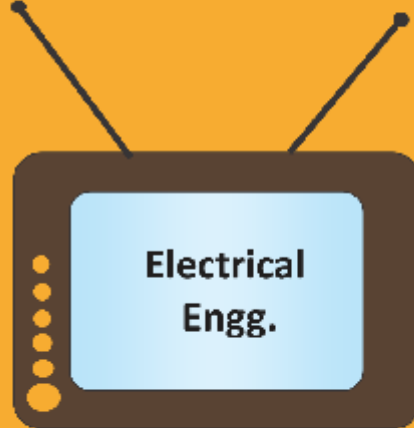

Chemistry

A stylized television set with a brown frame, two black antennae, and four yellow dots on the left side.

**Computer
ENGG.**

A stylized television set with a brown frame, two black antennae, and four yellow dots on the left side.

**Ceramic
Engg.**

A stylized television set with a brown frame, two black antennae, and four yellow dots on the left side.

**Electrical
Engg.**

A stylized television set with a brown frame, two black antennae, and four yellow dots on the left side.

**Communication
Engg.**

A stylized television set with a brown frame, two black antennae, and four yellow dots on the left side.

**Environmental
Studies**

A stylized television set with a brown frame, two black antennae, and four yellow dots on the left side.

**Fashion
Design**

Branch/Subject wise relevant Digital links of Various Diploma disciplines.

A stylized television set with a brown frame, two black antennae, and a light blue screen. The screen displays the text 'Fashion Tech.' in black. There are four small yellow dots on the left side of the frame.

**Fashion
Tech.**

A stylized television set with a brown frame, two black antennae, and a light blue screen. The screen displays the text 'Mechanical Engg.' in black. There are four small yellow dots on the left side of the frame.

**Mechanical
Engg.**

A stylized television set with a brown frame, two black antennae, and a light blue screen. The screen displays the text 'Medical Electronics' in black. There are four small yellow dots on the left side of the frame.

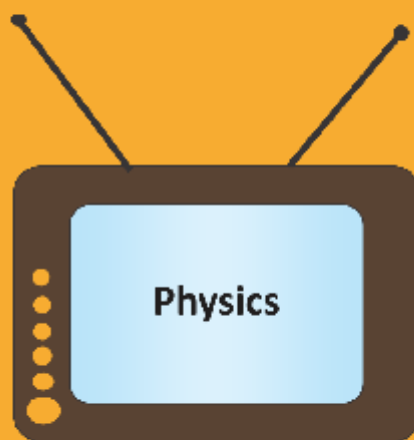

**Medical
Electronics**

A stylized television set with a brown frame, two black antennae, and a light blue screen. The screen displays the text 'OMCA' in black. There are four small yellow dots on the left side of the frame.

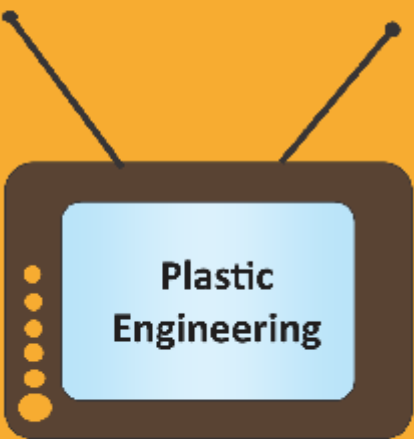

OMCA

A stylized television set with a brown frame, two black antennae, and a light blue screen. The screen displays the text 'Pharmacy' in black. There are four small yellow dots on the left side of the frame.

Pharmacy

A stylized television set with a brown frame, two black antennae, and a light blue screen. The screen displays the text 'Physics' in black. There are four small yellow dots on the left side of the frame.

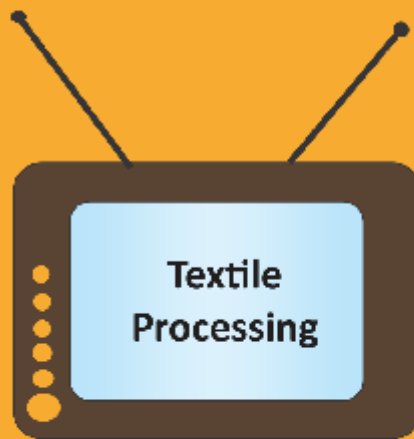

Physics

A stylized television set with a brown frame, two black antennae, and a light blue screen. The screen displays the text 'Plastic Engineering' in black. There are four small yellow dots on the left side of the frame.

**Plastic
Engineering**

A stylized television set with a brown frame, two black antennae, and a light blue screen. The screen displays the text 'Textile Design' in black. There are four small yellow dots on the left side of the frame.

**Textile
Design**

A stylized television set with a brown frame, two black antennae, and a light blue screen. The screen displays the text 'Textile Processing' in black. There are four small yellow dots on the left side of the frame.

**Textile
Processing**

A stylized television set with a brown frame, two black antennae, and a light blue screen. The screen displays the text 'Food Technology' in black. There are four small yellow dots on the left side of the frame.

**Food
Technology**

A stylized television set with a brown frame, two black antennae, and a light blue screen. The screen displays the text 'Civil Engg.' in black. There are four small yellow dots on the left side of the frame.

**Civil
Engg.**

A stylized television set with a brown frame, two black antennae, and a light blue screen. The screen displays the text 'Library & Information Science' in black. There are four small yellow dots on the left side of the frame.

**Library &
Information
Science**
